COLLEGE OF TECHNOLOGY PLANS FALL OPEN HOUSE

MISSOULA-

Thinking about a career change? An upcoming open house at The University of Montana's College of Technology will offer information on the school's programs, employment opportunities and student life.

The open house will begin at 7 p.m. Monday, Nov. 5, at COT's east campus, 909 South Ave. W. Prospective students, their families and the public are invited. Appetizers prepared by culinary arts students will be served, and child care will be provided.

The open house begins with an academic and student services fair, which provides informational tables and an opportunity to speak one-on-one with staff and faculty. Next, a series of workshops will be offered, where prospective students may choose from such topics as financial aid, nontraditional students and career services. East and west campus tours also will be available.

Programs at COT include business, computer technology, electronics, health sciences, industrial, barber styling, and culinary arts and food services. Degrees offered are the bachelor of applied science, the associate of arts and the associate of applied science.

There is no charge to attend the open house, but advance registration is requested. Register before 5 p.m. Friday, Nov. 2, by calling the admissions office at 243-7882 or toll-free in Montana at (800) 542-6882.
